P/01 The Book

Navigating a Career in Strength & Conditioning

A Practical Guide to Go From Intern to Industry Leader

Two decades on the field, distilled into **career strategy**, **foundational science**, and a sustainable approach to the profession. Written for the next generation of coaches — this is the book Dr. Lima wished he had at the start of his career.

Drawing on his work across the **B1G**, **ACC**, **Ivy League**, and **CAA** — and on the staffs that produced **30 NFL Draft picks**, **8 Super Bowl champions**, and **12 Pro Bowlers** — Dr. Lima lays out a repeatable, research-backed path for coaches ready to level up.
